of
Meeting of Board of Governors,
College of Engineering Karunagappally
on 22nd June 2013
at 1.00 pm

**First Meeting of Board of Governors of College of Engineering
Karunagappally on 22/06/2013 at 1.00 PM under the Chairmanship of
Hon. Chairman Prof. V.P.N Nampoori**

Agenda:

Silent Prayer

Item No. 1 / BOG 1: Welcome address by the Principal and reporting about the college:

Prof. Hari V S.

A brief report on developments of the college since the inception of the institution will be done by the Principal.

Item No 2 / BOG 1: Reporting of institutional activities under TEQIP II

2.1 Submission of Institutional Development Proposal (IDP) for grant

As per the letter No.29/SPFU/GOK/2012 dated 21.2.2012 and 14.08.2012 of Director SPFU Kerala, the college was asked to submit an IDP for a grant of 10 crores under TEQIP Phase II Cycle 2 under sub-component 1.1 to Strengthen Learning Outcomes and Improve the Employability of Graduates. The college prepared the IDP and submitted it to the National Project Implementation Unit (NPIU) of TEQIP through the State Project Facilitation Unit (SPFU) after getting the concurrence of the Hon. Chairman of BOG subject to ratification by the BOG. The project period is up to December 2014. The copies of the letters are given as Annexure I and II.

2.2 Selection of the institution in TEQIP II

The Central Project Advisor, TEQIP in his letter (letter No. NSC/MHRD/TEQIP-II/13/2013) dated 9th February 2013 intimated the institution that based on the IDP submitted by the institution and after the evaluation; it has been selected to participate in TEQIP II. The copy of selection of intimation is given as Annexure III.

2.3 Signing of MoU with the State Government

In the letter of selection of intimation, the institution was asked to sign MoU with the State Government for effectively implementing TEQIP II. Accordingly the institute signed the MoU with the State of Kerala on 19.02.2013 regarding TEQIP implementation. The signed copy of the MoU is given as Annexure IV. Consequent to this the State Govt. issued orders directing the institution to stick on to certain aspects

as part of key obligations to be implemented by the project institution. The key obligations to be complied with by the institution as per the Govt. order are:

1. Enabling institution to establish 4 funds (corpus, faculty, equipments replacement and build each of these funds with atleast 0.5% of annual recurring expenditure of the institution.
2. Permitting institutions to retain and utilise all Internal Revenue Generated (IRG) including tuition fee with no deficit budgeting and
3. Empowering BOG of the institutions to fill up faculty vacancies on 11 months or longer contracts till the vacancies are filled through regular appointments by the State Government.

The Govt. order regarding this is attached as **Annexure V**.

These are placed before the BOG for consideration and approval.

2.4 Submission of Proposal to UGC for Autonomy

It is made mandatory that the selected institutions under TEQIP II should apply for autonomy and the Govt. have issued necessary orders according NOC to apply for autonomy to UGC through the affiliating University. Accordingly the institution has submitted a proposal for obtaining autonomous status to the Cochin University of Science and Technology (CUSAT) for forwarding to the UGC. **This may be ratified by the BOG.** The G.O according NOC to apply for autonomy and the acknowledgement of receipt from the University are included as **Annexure VI and VII** respectively.

2.5 Formation of Institutional Level TEQIP-II committees.

As per the Project Implementation Plan (PIP) guidelines, different committees were constituted for implementation of TEQIP-II at the institutional level subject to the approval of the BOG. **The various committees are included as Annexure VIII for approval.**

2.6 Proposal of panel for Senior Research Advisor (SRA)

The institute proposed a panel of three eminent academicians as directed by the National Project Implementation Unit (NPIU) for the post of Senior Research Advisor, for guiding the research activities at the college as per email from Director

SPFU dated 09.03.2013. The SPFU has also intimated that an amount of Rs. 5000/- per day maybe paid as honorarium for the SRA as per order No. 50/SPFU/GOK/2013 dated 29.04.2013 of Director, SPFU Kerala for each visit in addition to TA/DA. The panel and duties of SRA are given as **Annexure IX. The selection of the Senior Research Advisor from this panel for the college is to be decided by the first BOG meeting.**

2.7 Appointment of Mentor for College of Engineering Karunagappally

The National Project Implementation Unit (NPIU) appointed Prof. (Dr.) K.P. Sudeer, Professor, Department of Civil Engineering, IIT Madras as the mentor for the institution. On behalf of College of Engineering Karunagappally, the BOG places on record its gratitude to Prof. (Dr.) K.P. Sudeer for consenting to mentor the institution in TEQIP-II activities.

2.8 Various meetings and workshops attended by the Co-ordinators in connection with TEQIP

1. An orientation program was conducted by the State Project Facilitation Unit on 22.2.2013 at Mascot Hotel Thiruvananthapuram regarding the implementation of TEQIP in project institutions. The orientation program was led by the Central Project Advisor Prof. A.U. Digaskar. He has explained the various aspects in the implementation of TEQIP and the main challenges and outcomes. The Principal, TEQIP co-ordinator, Procurement co-ordinator, Academic co-ordinator and Finance committee member of CE Karunagappally attended the programme.
2. A meeting was convened by the IHRD Director at IHRD Head Quarters Thiruvananthapuram on 13.03.2013 to discuss about implementing TEQIP effectively in the IHRD project institutions. The Principal, TEQIP co-ordinator and the Procurement co-ordinator attended the meeting.
3. Mr. Baiju, Assistant Professor in Mechanical Engineering and Industry Institute Interaction Cell (IIIC) co-ordinator and Mr. Anilkumar A, Assistant Professor, Computer Engineering and Alumni officer, attended the meeting conducted by the SPFU on Industry Institute Interaction at Govt. College of Engineering Kozhikode, on 17.03.2013 and 18.03.2013.
4. The 3rd State level workshop with state institutions in Kerala for effective monitoring and reviewing the implementation of TEQIP-II was held at the IMG

Hall Thiruvananthapuram on 11.04.2013. The meeting was chaired by the Central Project Advisor Prof. A.U. Digraskar and attended by the mentors of all project institutions. The Principal, TEQIP, Finance, Procurement, and Academic coordinators attended the workshop.

5. The Principal, TEQIP, Procurement and Academic coordinators as well as the nodal officers for R&D and Equity Action Plan (E A P) attended the review meeting held at CGPU hall, College of Engineering Thiruvananthapuram, on 15.5.2013. A further meeting on the same is scheduled for 22nd of June at Thiruvananthapuram.
6. An institutional level orientation workshop was conducted on 21.05.2013 at the college for all the staff members of the college about the implementation of TEQIP. Prof. Narayanan former Director of SPFU lead the workshop. 45 members of staff participated in the workshop.
7. The NPIU arranged a workshop on PMSS on 23.5.13 and 24.5.13 at JNTU Hyderabad. The TEQIP and Procurement Coordinators Dr. Ajilkumar A and Prof. Manoj Ray D attended the workshop.
8. The Procurement Coordinator Prof. Manoj Ray D and Mr. Anilkumar A, System Analyst attended the workshop on PMSS conducted at College of Engineering Thiruvananthapuram on 03.6.13 and 04.6.13.
9. The Finance coordinator and the nodal officer for Finance and eMFR Smt. Libi, and Mr. Shajy L participated in the workshop on eFMR conducted at College of Engineering Thiruvananthapuram on 05.6.13.

Item No. 3 / BOG 1: Ratification of approval of Institutional project Proposal (IDP)

The IDP prepared by the college and submitted to NPIU through SPFU in the present form is placed before the BOG for ratification.

Item No. 4 / BOG 1 : Report of Academic activities under TEQIP

4.1 Faculty and Staff development programmes conducted in-house

- Prof. Deepa V.S., Associate Professor in Electronics and Sri. Sylish V, Assistant Professor in Electronics had submitted a proposal to conduct a three day staff development programme on **Speech Processing** from 27.5.13 to 29.5.13. Considering the relevance and importance of the proposal, the academic committee which met on 02.04.2013 and the Finance committee which met on 15.6.2013 approved the programme and decided to release the

amount subject to ratification of the BOG. **The BOG is requested to ratify the program and to grant actual expenditure incurred as per TEQIP norms.** Since the topic of the programme was found to be beneficial for the MTech students in Signal Processing the academic committee also decided to allow Post Graduate students in Signal Processing to attend the training programme.

- Submission was received from Smt. Geetha Assistant Professor in Computer Science and Engineering to conduct a six day course on Data Science and Engineering from 10th June to 15th June 2013. The academic committee which met on 02.4.2013 approved the course considering the relevance of the course and the finance committee which met on 15.6.2013 approved the course and decided to release the amount spent subject to ratification of the BOG. **The BOG is requested to ratify the program and to grant actual expenditure incurred as per TEQIP norms.**
- Smt. Smitha. P, Assistant Professor in Computer Science and Sri. Shajy L, Lecturer in Computer Applicatio had submitted a proposal to conduct a staff development programme on **Web Technology through PHP** from 24.6.13 to 29.6.13. The academic committee which met on 02.4.2013 approved the course considering the importance of the course and the finance committee which met on 15.6.2013 approved the course and decided to release an advance amount of Rs. 80000/- subject to ratification of the BOG. **The BOG is requested to ratify the program and to grant actual expenditure incurred as per TEQIP norms.**

4.2 Staff Development Programme attended outside

- Smt. Remya Assistsnt Professor in Computer Science and Mr. Shajy L Lecturer in Computer Science have given submissions to undergo staff development programme on Application of Linear Algebra at LBS Institute of Technology for Women Thiruvananthapuram from 11.3.2013 to 15.3.2013. The academic committee which met on 08.3.2013 has discussed necessity of attending the programme and accorded sanction and the finance committee which met on 02.4.2013 approved the programme subjected to ratification by

the BOG. **This matter is placed before the BOG to ratify the same and to grant the actual amount spent for attending the programme. The details are shown in item no. 7.1**

- Prof. Manoj Ray, Associate Professor in Computer Science, Smt. Geetha. S, Assistsnt Professor in Computer Science and Smt. Sabeena. K, Assistant Professor in Computer Science have given submissions to undergo 3 days Workshop on Parallel computing using CUDA held in College of Engineering Thiruvananthapuram from 14/03/2013 to 16/03/2013. The academic committee which met on 08.3.2013 has discussed the necessity of attending the programme and accorded sanction and the finance committee which met on 02.4.2013 approved the programme subjected to ratification by the BOG. **This matter is placed before the BOG to ratify the same and to grant the actual amount spent for attending the programme. - Submission was received from Mr Reji Thankachan, Asst. Prof. in Electronics and Communication to present a paper in the Conference held at TKM Institute of Technology, Kollam on 15/03/2013. The academic committee which met on 08.3.2013 has accorded sanction and the finance committee which met on 02.4.2013 approved the programme subjected to ratification by the BOG. **This matter is placed before the BOG to ratify the same and to grant the actual amount spent in presenting the paper. The details are shown in item no. 7.1.**
- Prof. Deepa V.S., Associate professor in Electronics have given submission to undergo a faculty training programme on Speech Processing at College of Engineering Thiruvananthapuram from 18.3.2013 to 22.3.2013. The academic committee which met on 08.3.2013 and the finance committee which met on 14.4.2013 approved the programme subjected to ratification by the BOG. **This matter is placed before the BOG to ratify the same and to grant the actual amount spent for attending the programme. The details are shown in item no. 7.1.**
- Mr. Jayadeep Kumar J Assistant Professor in Mechanical Engineering had given submission to undergo staff development programme on MTLAB at

Barton Hill College of Engineering Thiruvananthapuram from 21.3.13 to 25.3.13. The academic committee which met on 08.3.2013 has accorded sanction and the finance committee which met on 14.4.2013 approved the programme subjected to ratification by the BOG. **This matter is placed before the BOG to ratify the same and to grant the actual amount spent for attending the programme. The details are shown in item no. 7.1.**

- Submissions have been received from Dr. Ajilkumar A, Associate Professor in Mechanical, Mr. Jayadeep Kumar J, Assistant professor in Mechanical, Smt. Sheela, Assistant Professor in Maths and Smt. Retheekumari, Assistant Professor in Physics to attend the short term training programme on Essentials of Optimisation Techniques in Engineering from 10th June to 14th June 2013 at Govt Engineering College Trichur. The academic committee which met on 31.5.2013 and the finance committee which met on 15.6.2013 approved the programme subjected to ratification by the BOG. **This matter is placed before the BOG to ratify the same and to grant the actual amount spent for attending the programme. The details are shown in item no. 7.1**
- Submissions were received from Smt. Libi, Assistant professor in Electrical and Mr. Premnath, Assistant Professor in Mechanical to attend the short term training programme on Trends in Renewable Energy System from 10th June to 14th June 2013 at College of Engineering Adoor. The academic committee which met on 31.5.2013 and the finance committee which met on 15.6.2013 approved the programme subjected to ratification by the BOG. **This matter is placed before the BOG to ratify the same and to grant the actual amount spent for attending the programme. The details are shown in item no. 7.1.**
- Submissions were received from Smt. Shyni. C Assistant Professor in Eletronics and Smt. Deepa A.K, Assistant Professor in Electronics to attend the short term training programme on Computer Support Group from 10th June to 13th June 2013 at NIT Trichy. The academic committee which met on 31.5.2013 and the finance committee which met on 15.6.2013 approved the programme subjected to ratification by the BOG. **This matter is placed**

before the BOG to ratify the same and to grant the actual amount spent for attending the programme. The details are shown in item no. 7.1.

4.3 In house Faculty and Staff Development (FSD) Programmes planned for the next three months

Based on the discussions in the department levels a number of in-house training programmes are planned in subject domain, cutting edge technologies, etc. **The academic committee met on 31.5.13 has decided to conduct the in-house training programmes planned for the next three months as given in Annexure X. This matter is placed before the BOG for approval.**

4.4 External Training programmes for Faculty and Staff planned for the next three months

Based on the training needs identified by the faculty and staff, the HODs submitted plans to the academic committee for the approval of external training that the faculty and staff can undergo in the next three months. Accordingly, **the academic committee approved the in-house training programmes planned for the next three months. The details are given as Annexure XI and the same is placed before the BOG for consideration and approval.**

4.5 Teaching Assistantship to PG students

- In the Project Implementation Plan (PIP) of TEQIP it is given that the non-GATE qualified students selected by the institutions can be given assistantships for which they will devote 8-10 hours per week in class room and laboratory assignments. The GATE qualified students are getting a scholarship of Rs 8000/- per month from AICTE. Hence the amount that can be given for non-GATE students should be less and the academic committee which met on 31.5.2013 recommended to provide an assistantship of Rs. 6000/- per month for non-GATE students who will be admitted in the next academic year (2013-14) onwards till the project ends. This recommendation has been made based on item no. SSC-K 4.8 of the minutes of the 3rd review committee of the State Steering Committee of TEQIP-II, and to give publicity for the availability of such assistantship during the notification for the admission to the PG programs, through the college website and information brochure, as well as through the IHRD website. The finance committee which met on 15.6.2013 concurred with

the decision. **The same is being placed before the BOG for approval.** Reference: Extract of the Approved Minutes of the 5th Meeting of the State Steering Committee held on 11th April 2013, to be taken note of by the Project Institutions of Kerala, specifically the foot note given below each item.

- **The Academic committee which met on 31.5.2013 recommended to provide assistantship of Rs 4000/- per month to non GATE students who were admitted before the college joining TEQIP-II,** with the sanction of the BOG, from the next semester onwards. The finance committee which met on 15.6.2013 concurred with the decision. The same is being placed before the BOG for approval. Reference: Extract of the Approved Minutes of the 05th Meeting of the State Steering Committee held on 11th April 2013, to be taken note of by the Project Institutions of Kerala, specifically the foot note given below each item.

4.6 Remuneration for remedial classes under Equity Action Plan (EAP)

As per PIP of TEQIP remuneration can be given to those faculties who engage classes beyond working hours for the subjects students consider to be tough or for subjects students fail in University examinations. For first year students a diagnostic test is conducted on basic subjects and accordingly bridge courses can be conducted on Mathematics, Physics and Chemistry. But the institution received the funding under TEQIP after 6 months of commencement of first year classes. Hence remedial classes were conducted for those subjects students failed most in the first series. Hence classes were handled for Mathematics, Engineering Mechanics and Computer fundamentals. For higher semesters based on University exam results remedial classes were handled for those subjects students fail most. **The Academic committee which met on 02.4.2013 and the Finance Committee which met on 02.4.2013 recommended that the faculty handling the remedial classes maybe given a remuneration of Rs 600/- per hour. The same is placed before the BOG for approval.**

4.7 Honorarium for resource persons for various training programs

The academic committee which met on 02.4.2013 and the finance committee which met on 02.4.2013 recommended that a honorarium of Rs 3000/- maybe

given to resource persons from outside the institution who handle sessions for training programs, continuing education programs, workshops etc. **The same is being placed before the BOG for approval.**

4.8 Amount to be spent on food, refreshment and course material for participants of various training programs

The academic committee which met on 02.4.2013 and the finance committee which met on 02.4.2013 recommended that an amount Rs 200/- per participant maybe spent for food and refreshments per day and an amount of Rs. 1000/- per participant may be spent for course material for the various training programs. It was also recommended to include Post Graduate students as participants in such programs if the academic committee deems that such programs are in their areas of study considering the fact that most of the PG students take up teaching career. **The same is being placed before the BOG for approval.**

Item No. 5 / BOG 1: Permission to appoint Data Entry Operator and Clerk cum Junior Accountant on daily wages

As per *Item No. 3.14 of Minutes* of the Third meeting of State Steering Committee, Kerala held on 2nd February 2012 at 02:00 pm at Melody Hall of Mascot Hotel, Thiruvananthapuram, SPFU has given permission to the Project Institutions to appoint Data Entry Operator (One) and Clerk cum Junior Accountant (One) on daily wages as per State Govt. Norms (Rs 350/- per day) for the duration of the project. This is attached as Annexure XII. The concerned G.Os are included as Annexure XIII and XIV. The TEQIP finance committee of the college proposes the qualifications as any Bachelor degree and COPA, with knowledge in Tally as desirable, for the post of data entry operator, and B.Com degree and working knowledge of Tally software for the post of Clerk/Junior Accountant. **The BOG may kindly grant permission to appoint suitable persons to these posts through a fair recruitment process as per the recommendations of the TEQIP finance committee. A selection committee for this purpose may be formed and the selection procedure for the right candidates may be proposed.**

Item No 6 / BOG 1: Approval of Procurement /Minor Civil Works Plan of the institute

- A procurement plan has been prepared by the Procurement Committee of the college after several meetings with HODs and other lab in charges. Based on the inputs from different lab in charges, HODs consolidated the requirements of each lab and the same was consolidated further as the procurement plan of the institute. The procurement details based on the procurement plan was entered into the PMSS (Procurement Management Support System) web site on 15.6.2013. **The TEQIP committee recommended the plan and the same is placed before the BOG for approval.**
- The Civil works Committee of the college prepared the estimate of civil works that is planned to be done under TEQIP with the help of The Assistant Executive Engineer (Civil) of IHRD, Mr. Sreekumar. The work is planned based on the request from the HODs of different departments. The estimate involves extension of Generator Room- Rs.550000/-, Toilet Work-Rs.366137/-, Elecrical work-Rs.1054188/-, Partitioning work-1023600/-, Optical Fibre Cabling-838200, Foundations for Machines-192500 and Tile Works-Rs.494680/-. Total planned expenditure for civil works is thus Rs. 4519305/-. The details of these works have been entered in the PMSS website.
- **The procurement plan/ works plan is given asAnnexure XV, for approval by the BOG.**

Item No 7 / BOG 1: Expenditure incurred category wise

2) This office letter of even No. dated 09.02.2012.

Technical Education Quality Improvement Programme (TEQIP) was envisaged in 2003 by MHRD, Government of India as a long-term World Bank assistance Programme of about 10-12 years duration to be implemented in 3 phases for transformation of the Technical Education System. The first phase of TEQIP commenced in March 2003 and ended in March 2009, in which 5 institutions were from Kerala. To continue the development activities initiated through TEQIP-I, a sequel project is planned as TEQIP-II. The Project duration shall be for four years (2010-2014). The Project is focusing on the following main objectives:

- Strengthening institutions to produce high quality Engineers for better employability,
- Scaling-up PG Education and demand-driven Research & Development and Innovation,
- Establishing Centres of Excellence for focused applicable research.

The Project is composed of the following Components and Sub-components:

Component-1 : Improving Quality of Education in Selected Institutions

Sub-Component 1.1 : Strengthening institutions to improve learning outcomes and employability of graduates

Sub-Component 1.2 : Scaling-up Postgraduate Education and Demand-Driven Research & Development and Innovation

1.2.1 : Establishing Centres of Excellence

Sub-Component 1.3 : Faculty Development for Effective Teaching (Pedagogical Training)

Recd
24.2.12

194/12

- The Project is being implemented through the Ministry of Human Resource Development (MHRD) of the Government of India as per the Project Implementation Plan (PIP), as a **"Centrally Sponsored Scheme"** (75:25 between MHRD and State) with a total outlay of Rs. 2430 Crores for 200 Engineering institutions all over India.
- The financial allocation to each Government / Government funded institution is expected to be in the range of Rs.10.00 crore for Sub- component 1.1.

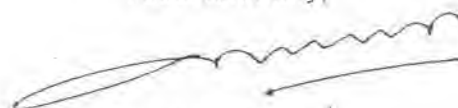

Vide this office letter under reference it is reported that, your institution from the State of Kerala (Govt. funded / Govt. aided) is likely to get included under sub – Component 1.1 of TEQIP-II, in the 2nd cycle of selection

In this circumstance a preliminary meeting of the Principals, probable TEQIP Coordinators and representatives of the controlling organizations / establishments of the institutions which are likely to be further included in Sub Component 1.1 of TEQIP-II is scheduled to be held at 2.30 pm on 29th February 2012 at the Conference Hall of the Directorate of Technical Education, Fort, Thiruvananthapuram.

You are requested to kindly attend the meeting with your probable TEQIP Coordinator and representative of your controlling organization / establishment. Please note that this office will not bare any expenses towards your TA/DA for attending the meeting.

It may also be noted that if your institution gets unrepresented in the meeting under reference, it will be presumed that your institution is not keen in taking up the TEQIP-II project and we shall make arrangements to proceed with the project accordingly, without any further communications to you on this subject.

Yours faithfully,

Prof.K.Narayanan

Sub: TEQIP-II: Selection of Institutions under Sub-Component 1.1 -2nd Cycle – Orientation of the Institutions - reg...

Sir,

This has reference to the selection of institutions (2nd Cycle of selection) under Sub-component 1.1 of Technical Education Quality Improvement Programme (TEQIP-II).

2. The received IDPs have been evaluated and the following six institutions from your State have been selected for participation in the Project under Sub-component 1.1 (2nd Cycle) subject to the signing of MoUs between your State and the selected institutions.

- (i) Government Engineering College, Wayanad
- (ii) Government Engineering College, Sreekrishnapuram, Palakkad
- (iii) College of Engineering, Adoor, Manakkala
- (iv) College of Engineering, Cherthala, Pallippuram
- (v) College of Engineering, Karunagappaly, Thodiyoor
- (vi) Thangal Kunju Musaliar College of Engineering, Karicode, Kollam

3. The State is accordingly requested to:

- sign MoUs in three copies with the selected institutions before 20th February, 2013. MoU format is enclosed as Annex-I.
- arrange issuance of the required Govt Orders (listed at Annex-II) in respect of the selected institutions before 20th February, 2013 to expedite the release of funds to your State.

4. A meeting is planned at Trivandrum on 22nd February, 2013, wherein, the institutions selected from the States of Tamil Nadu (04) and Kerala (6) along with their respective SPFUs shall be participating. The States are requested to hand over the signed copy of the MoUs and the necessary GOs to the NPIU officials on 22nd February, 2013.

5. NPIU officials shall also be carrying out the orientation of the Institutions for the effective implementation of the Project in the meeting. The meeting venue at Trivandrum will be worked out with SPFU Kerala.

Annexure IX

No. 50/SPFU/GOK/2013

Date: 29.04.2013

Extract of the Approved Minutes of the 05th Meeting of the State Steering Committee held on 11th April 2013, to be taken note of by the Project Institutions of Kerala, specifically the foot note given below each item

Item No. SSC – K 5.6 Regarding appointment of Senior Research Advisors (SRA) – letter from NPIU – Actions taken – Report that of.

Decisions:

In this regard the following decisions were taken,

- a) Since the SRA to be engaged by a Project Institution is aimed at enhancement of R&D activities, the leadership he/she extends need not necessarily lead to a PhD of a particular faculty or publication of Research Papers.
- b) Since promotion of Institutional consultancy is also envisaged as part of R&D, the SRA may take a lead role in fostering this.
- c) The activities of Industry Institute Interaction (III Cells for which there is a life time budget of Rs. 40 Lakh) and R&D (Rs. 20 Lakh) will be pooled together, but booking the expenditure of SRA under R&D/IOC.
- d) Since several branches/programmes at B Tech level and M Tech level are being offered in a Project Institution, the identified SRA need not belong to a specific branch of engineering in a Project Institution. Instead the SRA may serve as a Research and Consultancy Mentor covering all engineering disciplines.
- e) The specific deliverables of the SRA are the following,
 - 1. Deliver talks on Research Methodology to PG students and PhD aspirants of the Project Institutions
 - 2. Motivate the PhD holders in the Institution to enrol as Research Guides in the concerned universities, abiding by the university requirements in this regard.
 - 3. Motivate the Institution to become an approved centre of research of the university concerned.
 - 4. Guide in house seminars on one Research Topic each by the PG students as well as PhD aspirants and make assessments regarding the suitability of the Research Topics and offer guidance on future course of action.
 - 5. Offer Tools regarding Searching & Downloading of literature the SRA.
 - 6. Offer guidance on Thesis Writing including compiling and Reference Writing, Paper Publication and Poster Preparation. He may also offer awareness on Citation Index and Impact Factor

7. Suggest talks by other experts in the above areas including Research ethics avoiding Research misconduct.
 8. Regarding consultancy it is pertinent that Project Institutions should have the required facility and in house expertise. The SRA will motivate the Institutions by developing at least one area of expertise and consultancy during the project period.
 9. Regarding patenting the SRA may motivate the Institution on the laws related to National and International patenting. He/She may help the Institutions in arranging talks by patent law attorney on Process Patenting and Product Patenting.
 10. The SRA will also motivate the Project Institutions in holding Seminars on promotion of Research and Consultancy in which R&D and Quality Group Engineers from Industries as well as Stakeholder Departments participate.
 11. The SRA may also guide the Institutions in organizing Conferences/Seminars/Workshops/Exhibitions on R&D and IIC.
- f) Each of the Project Institution shall be permitted to engage one SRA by paying a per day honorarium of Rs. 5000/- apart from meeting the TA/DA as per the G.O. (Rt) No. 2113/2012/H.Edn dated, 04.10.2012.
- g) When the rest of the Project Institutions utilize the services of the SRA the honorarium as per clause (f) and TA/DA rules as per G.O. (Rt) No. 2113/2012/H.Edn dated, 04.10.2012 will be made applicable.
- h) As per the Minutes of the Review of Progress of TEQIP II in the Project Institutions of Kerala, held from 29th January to 4th February 2013, in the presence of Mentors, DTE and SPFU Officials vide Clause 3.2 it was decided that for promoting Research Initiatives of faculty members under R&D, with the approval of the BoG, the Project Institutions may invite applications for one time Seed Money as Research Assistance.
- The period of research shall be maximum one year.
 - The Institutions with the involvement of Senior Scientists from outside shall constitute a Research Guidance Committee (RGC).
 - The RGC shall device a format for inviting applications from eligible faculty, with in a dead line fixed for the same.
 - The maximum amount permissible for the Research Assistance, eligibility, terms and conditions etc shall also be finalized by the RGC.
 - The filled in applications shall be evaluated and the candidates screened if necessary by the RGC in the presence of the Senior Scientists.
 - Case by case the RGC will decide the maximum amount permissible to each Principal Investigator, citing terms and conditions like insistence of quarterly Progress Reports,

Continuation of the Research Project, Continuing Funding etc.

- The monitoring and evaluation of the research shall also be carried out by the RGC. It was decided that the SRA will be the Chairperson of the RGC.
 - Procurement of consumables and components and expenses regarding service charges shall be booked under seed money which may be a maximum of Rs. 2 Lakh per Chief Investigator, released under R&D. The eligibility of the seed money will also be extended to Research Scholars of the Project Institution.
- i) The SRA shall be from any of the Engineering branches only since promotion of Institutional Consultancy and Industry Institute Interaction is also contemplated.
- j) Adhering to the decisions of the SSC the Institutional BoGs are permitted to select their SRA.

{ Action: Project Institutions }

Project Institutions are requested to comply with.

Item No. SSC-K 5.7: Regarding founding of MIS Cells– letter from NPIU – Actions taken – Report that of

Decisions:

1. Decided to fill in the post of MIS officer on contract basis in all the Project Institutions during the project life period. He/She will be fully responsible for data collection, consolidation and reporting.
2. Qualification and experience required for the post shall be B Tech in Computer Science & Engineering or Information Technology/MCA – minimum experience 2 (two) years in data processing and total consolidated amount payable shall be Rs. 25000/- per month.
3. Mode of selection – through a selection process to be carried out by the Project Institution with the approval of the BoG. The hand shall be engaged initially for a period of three months and permitted to continue only after assessment of satisfactory performance by the TEQIP Committee of the Project Institution.
4. Since one each Data Entry Operator is posted by all the Project Institutions as per the decision of the 03rd Meeting of the SSC, one more Data Entry Operator need not be posted for MIS Cells.

{ Action: Project Institutions }

Project Institutions are requested note to comply with immediately but wait for Govt. approval in this regard.

Item No. SSC – K 5.11:– Other Item No. 2 – Teaching/Research Assistantships to those students of a Project Institutions admitted before the date of signing of MoU between the State and the Institution, but continuing studies during the course of implementation of TEQIP II in the Project Institution.

Decision:-

The SSC decided to authorize the BoGs to take suitable decision in this regard.

{ Action: Project Institutions }

It may be noted that the BoG meeting held at RIT, Kottayam on 27.04.2013 decided to pay Rs. 4000/- per month to those M Tech Students who were admitted before the date of signing of MoU between the State and the Institution subject to the condition that the same will be paid only during their 4th Semester studies, with no payment of arrears. This decision may be treated as a precedent for taking similar decisions by the BoGs of rest of the Project Institutions.

Item No. SSC – K 5.11:– Other Item No. 3 – Reimbursement of Fee for faculty members who undergo qualification up gradation (M Tech/PhD) of a Project Institution who were relived for the same, before the date of signing of MoU between the State and the Institution.

Decision:-

The SSC decided to authorize the BoGs to take suitable decision in this regard.

{ Action: Project Institutions }

No precedence is taken note of till date.

Approved for issue among 19 Project Institutions

EMAIL from SPFU received 9th March 2013

Sir/Madam,

Attached please find a format for forwarding the Institutional proposal (at least 3 nominations) for selecting the SRAs for each Institution. Kindly respond after identifying the nominees and interacting with them. Kindly treat this as most urgent and your nominations should reach me positively before 25th March 2013.

Regards,

Prof. K. Narayanan

To,

DTEs/SPAs of States participating under Sub-component 1.1

Subject : TEQIP-II : Decision taken in 1st Joint Review Mission (JRM) – Recruitment of Senior Research Advisor for Enhancement of Research & Development activities in Government and Government aided institutions under sub-component 1.1

Sir,

It was decided in the meeting held with CFIs on 26.02.2013 during the ongoing 1st Joint Review Mission that the Government and Government aided institutions under sub-component 1.1 can appoint retired teachers from IITs/NITs/other reputed institutions as **Senior Research Advisor** for enhancement of Research and Development activities based on the institutional requirement. The appointment and the terms & conditions of appointment shall be approved by the BoG or competent authority of the institution as per norms of the institution. The appointment shall be made till the duration of the project. The expenditure towards salary etc. can be booked under R&D head of expenditure or Incremental Operating Cost.

You are requested to take necessary action in this matter accordingly.

Yours faithfully

(AU Digraskar)
